

Candy Slides

Inspired by [Wicked Makers](#)

Candy-givers will need: their own 'trick-or-treat candy here' sign, glue, skeleton, cheese wrap/bandages and either their own pipe support stands and / or spooky skull mouth decoration [Click on link above.](#)

Other suggestions: Duct-tape to stick 2m markers on rough pavement

What we are intending to include in the Kits:

	<table> <tr> <th>Qty</th><th>Description</th></tr> <tr> <td>One</td><td>8/10ft 3" rigid hollow pipe</td></tr> </table>	Qty	Description	One	8/10ft 3" rigid hollow pipe
Qty	Description				
One	8/10ft 3" rigid hollow pipe				
	<table> <tr> <td>One</td><td>Either a support stand kit <u>OR</u> 3" wide skull & zip-ties (as per availability (zip ties enable the slide to be attached to a porch stair handrail)</td></tr> </table>	One	Either a support stand kit <u>OR</u> 3" wide skull & zip-ties (as per availability (zip ties enable the slide to be attached to a porch stair handrail)		
One	Either a support stand kit <u>OR</u> 3" wide skull & zip-ties (as per availability (zip ties enable the slide to be attached to a porch stair handrail)				
	<table> <tr> <td>One</td><td>Sign (as pictured) for where Trick-or-Treaters should wait / start of line</td></tr> </table>	One	Sign (as pictured) for where Trick-or-Treaters should wait / start of line		
One	Sign (as pictured) for where Trick-or-Treaters should wait / start of line
