Sports & Extracurricular Updates

- **Floor Hockey League:** The most recent league had 6 kids join. Kudos to the team leaders, parents, and Mrs. Godo. The kids had a great time, showing sportsmanship, honesty, and kindness.
- **Triple Ball:** Thanks to Mr. Tisdale and Mr. Jackson for making this happen. It's the most popular sport. Staff involvement is amazing! Practice schedule (Wednesday and Friday mornings) will be confirmed soon via email.
- **New Jerseys:** Exciting new jerseys for the floor hockey team, managed by Mrs. Gallilee.
- **In-House Sports:** Intramural league at lunchtime led by Mrs. Aulin and Mr. Gale. Many staff members help at lunch – thank you!

School & Learning Updates

- **Posters:** Rocks drawing contest continues until Friday – part of the positive behaviour support plan to engage students.
- **Literacy Efforts:** Teachers are embracing the science of reading and Ministry mandates for screening. The school is piloting assessments (Acadience) for K–3 next year, with plans to expand to older grades. Resources are also being directed toward decodable readers, complementing FSA assessments.

Community & Staffing Updates

- **Library Volunteering:** Help needed putting books away and other tasks. Looking for support in the mornings or afternoons – email hqallilee@sd44.ca to get involved.
- **Refresher on Volunteer Process:** Coordinated through Jillian. Teachers/admin submit a request and receive a link for the NV RCMP criminal record check. Everyone volunteering must complete this, even if already on file with SD44. Checks are valid for 5 years.

(7:31 PM) Parent Concerns / Open Forum

- **Backpack Buddies:** Pre-planning / very early stages of organizing; initiative will be led by Mrs. Vermeer.
- **Fun Lunch Fridays:** Some parents asked why every Friday isn't a Fun Lunch. On certain Fridays, classes are away, so we avoid taking orders when a large number of students won't be present.
- **Salmon Run Update:** Snow fencing is in place to protect the area. Plans are to replace river rocks to improve drainage. The area remains fenced off for now, and salmon are being removed before replanting.
- **Line-Up Buckets:** The bucket system is on pause until we understand the long-term plan after Cloverly opens. Please speak to your teacher if there are lineup concerns.
- **School Entry & Exit:** Improvements are being considered for safer and smoother access.
- **Bell Issue:** EAs reported they cannot hear the bell in the front; Mr. Gordon will investigate.

If you would like to submit any concerns or discussion topics before or after the PAC meeting, please email president@ridgewaypac.org.
