(7:00 PM) Call to Order & Introductions Charmaine Green

(7:01 PM) Land Acknowledgement Charmaine Green

As the PAC, we are grateful to live, learn, and work on these lands, which have been cared for by Indigenous peoples since time immemorial. We recognize the deep history and culture of these Nations, and we honour their enduring connection to this place.

We are especially grateful for the opportunity for our children to live and learn on these traditional lands, and we remain committed to fostering respect, understanding, and reconciliation within our school and our community.

(7:01 PM) Administration Report Jillian Gordon / Kristy Godo

- **Crossing Guard Positions** – this week two new staff members – casual employees of the school district. School board is doing a whole review of all of the crossing guard locations.
- **Student Led Conferences** – March 10 – early dismissals – 2-3pm / 5:30-6:30pm – Students are to take this opportunity to show parents their work. R[It is a part of the required reporting components.
- **STF goals** connected to core competencies. Working hard in these in class. Reports will be published the following day – Written Learning Update (Report Cards). If you have any issues logging in, please follow the instructions – they are very accurate for all troubleshooting instances and detailed. Look at the comments, ask children about it and get a conversation going.
- **Triple Ball** – update, grade 6 boys won every game Mr. Tisdal and Mr. Jackson have been coaching and doing an amazing job. Some other teachers stepping in as well – thanks for all the team work. Jerseys are a huge hit! We are at mid-season.
- **Track & Field** – coming up after spring break.
- **Pink Shirt Day** tomorrow – kindness and inclusion. Rainbow Ravens take the lead. As well as some choir/new songs.
- **Reminder** - no snacks or drinks in the gym – as this is creating garbage and sticky messes.
- **New Entry and Dismissal Plan** at the end of the day – three wave – hallway culture and greeting in hallways just as adults do. Basic teaching of expectations. Grades 4-5 are let out first (4 minutes before 2:50). Demountable – all children enter on their own at recess and lunch.
- **Parent concern** – *issue with lost teachable time*. Operational safety is taking priority over instructional minutes. Should there be consequences over changing the system. Have followed

up with individuals who have created issues but this is not a one-off issue – it is an entire third floor issue. Will collect feedback from teachers on the 4-minute bearing on student success.
